

**Press Release**

**Hopewell Holdings Limited Spread Love to  
More than 1,000 Elderly at Tuen Ng Festival**

*HH Social Club Brought Festive Joy to the Elderly for the Ninth Consecutive Year*

**Hong Kong, 5 June 2019** – Hopewell Holdings Limited (“Hopewell”, “HHL”) joined hands with St. James’ Settlement (“SJS”) to co-organize the Tuen Ng Volunteer Programme for the ninth consecutive year, benefitting over 8,000 singleton elderly since its launch, spreading festive cheer to the elderly during the Tuen Ng Festival.

This year, a festive lunch and wrapping rice dumplings workshop were held at Xi Shan on 18 May. Around 20 students from St. Francis' Canossian College were recruited to serve nearly 90 singleton elderly alongside around 30 HH Social Club volunteers, bringing different generations closer together. The volunteers divided into groups to take care of the elderly. With the help of the volunteers, the elderly learnt how to wrap the rice dumplings, promoting the culinary heritage of wrapping rice dumplings. After playing interactive games, the volunteers and the elderly enjoyed traditional “dim sum” lunch and rice dumplings together to celebrate the Tuen Ng Festival.

On 1 June, nearly 40 HH Social Club volunteers, their families and friends participated in the Tuen Ng Volunteer Visit. They gathered at the headquarters of SJS in the morning to prepare gift packs including rice dumplings and daily necessities. They were also trained with essential skills to communicate with the singleton elderly. During home visits, the volunteers shared contact information of SJS and presented the gift packs to around 60 households of singleton elderly living in various districts of Hong Kong (Wan Chai, Causeway Bay, Kwun Tong, Kwai Chung and Tsuen Wan).

Ms. Yvonne Lo, Senior Manager (Continuing Care Service) of St. James’ Settlement, said, “We would like to express our gratitude to Hopewell over the past nine years. Other than Tuen Ng Volunteer Visit, wrapping rice dumplings workshop was a fresh and delightful experience to the elderly, making it even more meaningful. This has been a fun activity that encouraged the elderly to broaden their social horizons.”
